AHG 117 | LIGHT BEIGE

Unyielding presence and
unwavering simplicity.

The image shows a dark, textured surface, likely the cover or endpaper of a book. The texture is grainy and uneven, with subtle variations in tone from dark brown to black. A vertical strip of lighter, possibly white or light gray, material is visible along the left edge, suggesting a hinge or a different material used for the spine area. The overall appearance is aged and rustic.
